

COLLEGE OF HEALTH & HUMAN SERVICES

WE PREPARE OUR STUDENTS TO IMPROVE THE QUALITY OF LIFE FOR INDIVIDUALS, STRENGTHEN FAMILIES, AND ENABLE COMMUNITIES.

COMMUNICATION DISORDERS & SCIENCES

EIU.EDU/COMMDIS

Communication Disorders and Sciences offers applied coursework and clinical experiences in preparation for graduate school in speech-language pathology or audiology. These are both high-growth professions with good job satisfaction and salaries in medical and school settings, helping individuals with speech, language, swallowing, or hearing disorders.

GAIL & RICHARD LUMPKIN SCHOOL OF NURSING

EIU.EDU/SCHOOLOFNURSING

The School of Nursing provides exceptional, innovative, and student-centered educational programs at the pre-licensure and post-licensure baccalaureate levels. Programs include a traditional four-year on-campus Bachelor's degree and an online registered nurse to Bachelor's degree (RN-BSN). A BSN prepares a nurse for many opportunities, including leadership and advancement. It also lays a strong foundation for graduate studies.

HUMAN SERVICES

(FORMERLY THE SCHOOL OF FAMILY & CONSUMER SCIENCES)

EIU.EDU/HSCL

Our courses provide the foundation for rewarding careers working with individuals and families through practical experience both on-campus and internships, giving students an edge for employment upon graduation.

DR. JILL BOWERS

KINESIOLOGY, SPORT, & RECREATION

EIU.EDU/KSR

The department of Kinesiology, Sport, and Recreation at Eastern Illinois University strives to become students' first choice when deciding where to earn a degree in the areas of physical education, exercise science, and sport management.

MILITARY SCIENCE (ARMY ROTC) *PANTHER BATTALION*

EIU.EDU/ARMYROT

Army ROTC prepares college students to succeed in any competitive environment. The leadership training and experiences that students have in the Army ROTC will provide them with a foundation to become commissioned Army Officers upon graduation.
