To the Office of the General Counsel,

I am submitting an open records request for student data for the Spring semester 2014. I would like an Excel spreadsheet with directory information listing all students attending your university in:

- alphabetical order according to last name and including first and last name
- in-session mailing address
- email address
- curriculum/major
- college
- year in school

Please email the information to:

nkdal52@gmail.com

Thank you -

Dr. Nina Rasmusson
