To Rob--

Thanks for all your help. Now it appears all is coming to my chicagotribune.com email, but please do send to both just in case.

1) Perhaps you have not forwarded these yet: I seem to be missing a contract/contract renewal letter for these fiscal years:

- FY2003
- FY2006
- FY2008
- FY2012

2) With respect to the spreadsheet, FY 2001 "no record of payments for year," does this mean there were no payments or there are *no records of payments*.

3) I also would request copies of the itemized monthly invoices sent by Government Affairs Specialists Inc. during their work for Eastern Illinois University.

4) The contract renewal letter dated 5-6-2008 discusses a "vendor disclosure of financial interests." I also would request to see copies of this form for all the pertinent years.

Thanks for everything.
