Subject: Records Request

Dear Ms. Burke,

I am a student at Vanderbilt University. As part of my course work, I am currently undertaking a project related to baseball coaches' contracts. It would be most useful for me if you could forward to me a copy of the contracts for head coach Jim Schmitz, assistant coach Skylar Meade, and assistant coach James Conrad via email attachment if possible. If email is not feasible, please send it to the following address.

Jens Herman

My course professor has informed me that the Freedom of Information Act allows this information to be released.

Thank you very much for your help. I truly appreciate your time and assistance with this research project.

Sincerely,

Jens Herman
