July 20, 2010

Robert Miller  
General counsel  
Eastern Illinois University

Dear Mr. Miller,

Pursuant to applicable state and federal Freedom of Information laws, I would like to obtain copies of the following public records:

1. The annual athletics revenue, expense and related school information reported to the National Collegiate Athletic Association for the 2007, 2008 and 2009 fiscal years under the NCAA Membership Financial Reporting System. This also is known as the NCAA's -- not the U.S. Department of Education's -- EADA form. If it is unclear which document I am referencing, I can e-mail you a copy of what has been sent in response to our requests of other universities.
2. The budget used to determine item No. 24 (recruiting) under the revenue/expense detail section of the NCAA Equity Report for the three years that I requested the NCAA Equity Reports -- fiscal years 2007, 2008 and 2009.

If any of these records can be provided electronically, I would prefer that form of conveyance. With the financial report, I would prefer that it be provided as an Excel spreadsheet or pdf.

I request that you provide these records within five business days, or provide either an explanation of when the records will be provided or a statement of the statutory exception authorizing the withholding of all or parts of these records and the name and title of the person responsible for the denial.

If there will be a charge for these records, please notify me in advance.

Thank you for your assistance.
