Dear Mr. Miller:

On behalf of AFSCME Council 31, I am making the following request for records under the provisions of the Illinois Freedom of Information Act:

Current list of all job classifications at EIU which are not represented by a labor organization; list to include the name, rate of pay, campus location, and job classification for each employee under each of the non-represented job classifications. I further request that this information be provided to me electronically (in Excel format if possible).

Please contact me if you have any questions about this request. Thank you very much for your assistance.

Sincerely,
