Mr. L. C. Lord,

Pres. Eastern Illinois Normal,  
 Charleston, Illinois.

My dear Mr. Lord:-

I read with much indignation in the Globe-Democrat this morning the bitter denunciation of you by a correspondent of the Globe from Mattoon, Illinois. The fact that this article emanates from a town twelve miles away from you is sufficient proof to me that the charge has little or no foundation.

If you need any assistance in ducking either the correspondent or the evangelist or both, dont fail to call upon me.

Sincerely yours,

Supt. Schools,

Alton, Illinois.
