President L. C. Lord,

Charleston, Ill.

Dear Sir:

I sent you by express prepaid two birds and one mammal mounted, for scientific use.

Some time ago, I wrote you, asking you if you were in need of any thing in this line.

I am ready to submit you prices on any amount of birds and mammals you may need, and especially on birds and mammals of Illinois.

Let me hear from you at your convenience.

Very truly,

F. N. A. Hoffman
