ARTICLE VI

Procedures

A. All proposals submitted to the Curriculum Committee shall be complete and follow the format approved by COTE, CAA, and/or CGS.

1. Departmental proposals:

a. Departmental course proposals must first be approved by the department(s) offering the proposed course.

b. In the case of proposals for new courses, department Chairpersons shall consult with their CLASCC representative on matters of proposal format and style.

c. Department Chairpersons (or Chairperson-designated representative) shall forward all proposals to the CLASCC Chair.
2. Other proposals:

Persons desiring to bring proposals, other than course proposals, before the Committee shall consult with the CLASCC Chair for the purpose of defining the format appropriate to the proposal, and the points to be addressed in the written document.

B. A quorum shall consist of one more than half of the voting members.

C. Agenda

1. Proposals shall be added to the agenda for consideration in the order in which they are received by the Committee Chair (except in unusual circumstances).

2. The agenda for each meeting of the Committee must be released by department Chairpersons to all faculty members of their respective departments prior to each meeting. Representatives of departments whose proposals are being considered will be present at the meeting to discuss the need for the proposal and to offer information concerning such matters as course content, catalog description, instructor, level at which a course is to be taught, and other pertinent issues.

3. If, in the opinion of the Committee, a proposal directly affects a part of the University other than the College of Liberal Arts and Sciences, the CLASCC Chair may request a joint meeting of the representatives of the curriculum committee(s) involved or other procedures to ensure consultation.

4. Proposals shall be discussed at the next regular meeting after notice to the College faculty by distribution of the agenda, or at a subsequent meeting if the agenda is unusually lengthy.

D. Voting

1. A motion to approve shall be entertained, and if seconded, voting will take place immediately unless the Committee Chair rules that the proposal would benefit from having a joint meeting with another curriculum committee or if the proposal is controversial.

2. A delay must be granted if a joint meeting with another curriculum committee is requested or if, in the opinion of the CLASCC, further time is needed to permit adequate consideration of controversial matters. In the event of such a ruling, the minutes shall note that a joint meeting has been requested or a controversial proposal has been discussed and that the motion to approve has been accepted. A vote on a controversial proposal shall take place no sooner than one week after distribution of the minutes noting the controversy.

3. The Committee shall record all its votes by roll call ballot with the exception of matters which can be settled by common consent.

4. The roll call shall be alphabetical. With each subsequent vote, the first voter shall be the person who voted second on the previous roll call. The only votes that may be cast are: yes, no, and abstain.
5. All actions taken by the Committee require a majority vote. A majority vote means more than half the votes cast, excluding abstentions.

6. After approval, a proposal shall be sent immediately to the next appropriate level by the Committee Chair.

7. If a proposal is defeated, then the department may request a written statement from the Committee Chair of reasons for rejection. Such requests must be received no later than two weeks after the proposal was rejected. The requests must be acted upon at the first regularly scheduled meeting after its receipt.

8. If the Committee requires major changes in a proposal, then the proposal is returned to the proposing department for revision. If the Committee requires only minor changes, and those changes are acceptable to the department concerned, then the proposal is returned to the originator. After making the minor changes, the department need only send the proposal to the Committee Chair.

9. If a proposal has been submitted to the Committee and no action is reported after a reasonable time, or it is believed that improper procedures and/or actions have been taken, then the proposing agency may appeal to the Vice-President for Academic Affairs for assistance.

E. Executive Actions

1. The Executive Officer may make decisions upon request from the department Chairperson concerning minor curricular and program changes (changes in course titles, prerequisites, and so forth). These allowable actions, which mirror University Council procedure, are listed in CAA’s bylaws.

2. Changes which are approved by the Executive Officer will be reported to the Committee and are subject to discussion and revocation by the Committee. The changes will be published in the minutes.

ARTICLE VII

When such changes are proposed, a copy of the proposal will be included in the agenda which is available to the College faculty. These changes must be approved by two-thirds of the votes cast by the voting members of the CLASCC. Any substantial amendments in these bylaws must be made by a vote of the faculty of the College. A two-thirds majority of the votes cast is required. The vote shall be conducted by mail or electronic ballot, after two weeks’ notice of the proposed change(s). Eligibility to vote will be limited to tenured/tenure track members of the departments of the College of Liberal Arts and Sciences and tenured/tenure track faculty who hold a majority (greater than 50%) appointment in the College of Liberal Arts and Sciences.
